

Twice Is Nice - a consignment boutique Consignor's

Agreement

Thank you for joining the Twice Is Nice consignment family!
Here's how it works:

1. There is a \$5 annual fee to keep your consignor's account active. This fee is collected from your sales, and is not due at sign-up.
2. We accept drop-offs reflecting the current season and one season ahead.
3. You may drop off your items any time that the store is open. If time allows, we are happy to go through your items as you shop around the store. At this time, we can give back any items that we feel we would not be able to sell for you. If time does not allow, we will go through your items at a different time and will call you with any items to be returned to you, or we can donate them to a local charity. If you choose to pick up any items, you must do so within one week.
4. Unless you instruct us otherwise, we will set the prices for you. If you have a particular amount in mind that you would like to receive for a particular item, please let us know. Please be aware that we will get the best possible price for you. If we feel that your request is too high, we will return the item to you.
5. Once an item is priced and hits the sale floor, if it sells in 60 days, you will receive 40% of the selling price.
6. At any time during those 60 days, you are welcome to change your mind about consigning a particular item. If it is still available, you can retrieve your item(s).
7. At the end of the 60 days, any items that are still available on the sales floor and are not picked up by you, will move from your account to the store account. Once an item is in this account, I will start to mark it down for my customers. If the item sells during this markdown, unfortunately you do not receive a percentage of the sale.
8. I do run daily specials in the store. Even if your item is still within the 60-day time frame, it is still subject to this sale.
9. Payouts: All sales are recorded as they occur and your 40% is calculated automatically. Within six months of your drop

off date you may use any balance in your account as credit towards an in-store purchase or you may also receive cash. If you are unable to come in within 6 months, you may use your account as store credit only for an additional six months.

10. I will do my best to safeguard your items, but I am not responsible for loss or damage.

Again, thank you so much for choosing Twice is Nice. There are a lot of consignment stores in the area, and I am honored that you chose mine.

Sincerely,
Amber Koehler, owner
